

Georges Duboeuf Beaujolais Villages 2017

CSPC: +275735

This juicy red wine is made of 100% Gamay grapes from the region of Beaujolais in France. It's silky smooth with flavours of raspberries, black cherries and spice. It's a pleasure to sip it on own and is also known as a "bistro wine" for its ability to pair with a wide variety of foods. I recommend serving it slightly chilled to bring out the acidity in the wine. **Food Pairing:** seared tuna or salmon, roast chicken, tabbouleh, and brie or camembert cheese. It's also really good with spicy Indian food!
